**RE: Sports Raffle Fundraising Program – Trip of a Lifetime Raffle**

**Dear Tom,**

**On behalf of the Boys and Girls Clubs of Fort Wayne, I would like to personally thank you for introducing the “Trip of a Lifetime Raffle” Program to our organization. It was everything that you said it would be. Your personal guidance and leadership was very much appreciated. It truly was exciting to conduct the raffle and to talk with many people who purchased tickets as they were excited about the possibility of winning a once in a lifetime trip; like going to the Super Bowl, Hawaii or even a cruise.**

**This unique program has allowed the Boys & Girls Clubs of Fort Wayne and its members to realize its fundraising goals for 2010 fiscal year. The bottom line was that the overall sales figure achieved was \$25,000.00. within a two and half month period. Simply put the program works. With a plan and a little effort the fundraising challenge can be met and maximum dollars realized.**

**Thanks again for your support. Boys & Girls Clubs of Fort Wayne looks forward to working with you for quite some time.**

**Sincerely,**

**Joe Jordan - Executive Director**
