Hi Tom,

Please feel free to use me as a reference for your Fundraising Program. The Sports Raffle Travel Program was a real winner! I have to admit I was a skeptic at first, but after netting over \$15,000 dollars, you were right. It was simple, there was no inventory, the Parents weren't put out by selling tickets for an unbelievable prize and the winner had a great trip! Best yet, we achieved our goal – our teams have AEDs – automatic external defibrillators. Does that ever feel good!

Still can't believe that the Winner picks the trip that THEY want...all those sports plus cruises. Don't know how you do it.

We will do the program again in 2010. We are planning now on field improvements and maybe some new goals. Oh yeah, Lax programs always need balls – lots of balls.

Thanks,

Marty
