Re: Sports Raffle Travel Fundraising Program.

Dear Tom:

On behalf of the entire Central Florida Youth Football and Cheerleading program, I would like to thank you for introducing the Sports Raffle "Trip of a Lifetime" fundraising program. The individuals who purchased tickets were excited about the choices of sports and travel destinations. Our Winner chose a trip to Hawaii and had a fantastic time.

The Sports Raffle program was easy to administer and got everyone involved. Our parents, players, cheerleaders and coaches got behind it 100% and did a great job selling and promoting the raffle. The program helped us raise additional funds needed to continue to make our program a success and keep the cost of registration down in 2011.

I would recommend the Sports Raffle program to any organization looking to raise money. Please feel free to use me as a reference.

We look forward to working with you in 2011 and years to come.

Thank You again.

Sincerely,

Don Lipari
